WINTER '25

At The Cabinet of CuriosiTEAs, we create tea for a new generation of tea drinkers. Our journey takes us around the world, searching for unique flavors and products to inspire our blends and designs. Back home, our creative team brings these discoveries to life, crafting and designing everything in-house to ensure every product is infused with our distinct vision.

Founded by two creative minds from The Netherlands, Casper and Joost, our brand is built on a shared love for reinvention, design, and tea. Together, they've crafted a brand that combines creativity and craftsmanship with a mission to inspire and delight.

We're more than just tea makers—we're a creative brand with a mission to bring joy, color, and happiness to the world. Our innovative flavors and tea-inspired gifts carry positivity, making them perfect for everyone—not just tea lovers.

We're also committed to doing good at every level. By using natural ingredients, embracing sustainable practices, and fostering an inclusive labor market, we aim to create products that reflect our values of responsibility and care for both people and the planet.

### **We do tea, differently!**

Beyond our inventive tea blends, we're always exploring new ways to bring tea into your life. From festive non-alcoholic mocktails and refreshing cold infusions to sweets and cosmetics, we've reimagined how tea can be experienced. Every product we create is designed to delight and surprise, offering a fresh perspective on this timeless beverage.

At The Cabinet of CuriosiTEAs, every cup tells a story of discovery and creativity.

Explore our collection, and let us add a little joy, color, and happiness to your day!

The Get Well Soon Tea is a soothing blend of citrus and eucalyptus, while the **Boo Hoo! Man Flu Tea** brings the zing with ginger, orange, and thyme—because we all know some recoveries need extra drama.

Each box comes with the tea, a handy infuser, our signature pink card featuring a QR code to a matching Spotify playlist, and for the Man Flu box, a cheeky “Man Flu Survivor” sticker.

# SUSTAINABI-TEA

*Leaving the world better*

## PEOPLE, ENVIRONMENT, AND PLANET

Because we want to make the world a little more beautiful now, but also leave it better for the future, we make the most sustainable choices in every area.

All of our packaging is made from **recycled materials**, our tea bags and sachets are fully compostable on your own compost heap in the backyard, and **we only work with natural ingredients**.

What you source from afar... Leaves a huge footprint, in terms of environmental impact, sustainability, and delivery time. That's why we prefer to get everything locally. We develop and produce our products and packaging in the Netherlands. **About 95% of our raw materials are sourced regionally, meaning within Europe!**

## MADE WITH LOVE

All our products are made with care and pride **in social workplaces in the Netherlands**. Here, people with a distance to the labor market are given the opportunity to develop skills and be part of a meaningful process.

In a social workplace, tasks are performed by individuals who need extra support to carry out their work. Most of the workers here cannot find employment in a regular company, but here they are given the chance to make a valuable contribution.

Blending, weighing, packaging, wrapping:  
**everything is done with the utmost care and attention by the people working here..**

## BUT WE HAVE TO REALISTIC

Sometimes, the law sets specific requirements for packaging, and we can't avoid plastic.

Not all transporters have an electric fleet just yet. And as unfortunate as it is, certain ingredients simply don't grow in the European climate. So, we have to source them from a bit further away. And we're honest about that. Because honesty lasts the longest. And since we've just started our mission, we have all the time, patience, and curiosity to eventually make it happen.

And let's be honest: **knowing all of this, that cup of tea tastes so much better, doesn't it?**
